Company Profile

Better Living Products was established in 1991 with a mandate of supplying every home with a practical and convenient way to eliminate shower bottle clutter. We continue to be recognized for pioneering the category and for our award-winning product, **The Dispenser™**.

Through the years, we have expanded our product offering to address the growing need for bathroom **organization**; products that simplify our lives. Today, Better Living Products is a world leader in the designing, manufacturing and marketing of **innovative**, quality bath and shower organization products for the consumer market.

Key to these innovations is the simplicity of installation. All of our products are designed to be installed quickly and easily, most **without the use of tools.**

Our Mission

With a focus on innovation, Better Living is constantly developing products that are functional and practical, providing time saving convenience during our daily routines. Our mission is to **make life a little easier** through having an Organized Bath.

High quality products remain paramount to our business and durability is a core attribute of all solutions we develop; since most, whether they are shower dispensers, baskets or squeegees, find their home within wet and humid shower environments. We concentrate on utilizing honest materials, such as stainless steel, chrome, nickel and aluminum to deliver the absolute best quality to our customers with products that blend seamlessly into contemporary home décor.

New for 2015

Our 2015 catalogue announces the introduction of some exciting new products.

LINEA is the gorgeous collection of Luxury Shower Organizers that feature the resilience of stainless steel and rust-proof solid metal craftsmanship exquisitely paired with the beauty of crystal-like elements. All LINEA products are **guaranteed** with our Lifetime Warranty.

HANDI is the series of **elegant** space saving solutions, including the Hand Washing and Vanity Valets, which uniquely combine a countertop soap dispenser with other innovative storage capabilities.

The **NUVO** Toilet Valet revolutionizes bathroom organization with **discreet** storage of personal wipes and extra tissue rolls. Toilet essentials are within reach, including a smart phone with this unique furniture piece!

Take a moment to browse through the pages and get inspired with organization solutions that will simplify your customers' daily routines and make life a little easier.

Our extensive range of unique and innovative products will generate new and incremental business for our retail partners.

Handy + Chic

HANDI is a new family of vanity-top organizers that includes the Hand Washing Valet and the Vanity Valet.

The Hand Washing Valet is a fusion of a soap dispenser and vanity towel stand into one compact organizer. This all-in-one station dispenses hand soap and keeps your towels at a fingertip's distance away. It even includes a tray to rest your rings and other jewelry.

The Vanity Valet is so much more than your typical dispenser. HANDI includes two multi-purpose divided organizers for your make-up brushes and comb, and a dispenser that holds 8 oz. (225 ml) of your favorite make-up remover. Alternatively, use HANDI to store your toothbrushes and paste. Brilliant!

- Multi-purpose space saving solutions
- Hand Washing Valet includes soap dispenser, towel tree and jewelry tray
- Vanity Valet includes dispenser and 2 divided organizers
- Hold 8 oz (225 mL) of liquid
- Durable stainless steel construction

Extending the Convenience

It is well known that shower glass should be swiped clean after every shower to preserve its sparkling appearance. Frameless shower enclosures with floor-to-ceiling tile are the hottest must-have luxury for a bright and sophisticated space. With higher standard ceiling heights, it is now becoming difficult to reach the very top of glass shower doors and enclosures. The ALTO Extendable Shower Squeegee allows for the perfect cleaning experience and ensures that you won't miss a spot!

- Ergonomically curved handle extends Squeegee to 18 inches
- Made of durable rust-proof aluminum
- Strong, metal reinforced rubber blade holder
- Prevents accumulation of mildew and eliminates water spots
- Easy-hook handle with chrome suction for in-shower storage
- Rust and tarnish free

Award Winning Innovation

Accumulation of water in current dishes and trays prevents sponges and soaps from drying quickly, creating bacterial growth and soft soap bars. The TRICKLE TRAY is a unique solution to the messy issues of current soap and sponge trays.

- Directs water into sink or bathtub
- Channels allow air flow to help with the drying process
- No soft and sticky soap
- Quickly dries sponges
- Two suction cups keep it in place
- Available in different bright colors
