Foundations®

Professional Quality. Legendary Safety.™

Meets NEW 2011 Federal Crib Standards

All Foundations® cribs include:

- *Limited 5 year warranty with lifetime warranty on steel frame and hardware.*
- *Heavy duty slats and mortise and tenon headboard construction provides superior strength.*
- *Lower profile allows easier access for the caregiver and reduces the risk of back strain.*
- *Adjustable floorboard.*
- *EverClear™ Natural and EverWhite™ finishes with coordinating hardware (antique brass hardware for natural finish, chrome hardware for white finish) provide unparalleled durability and beauty.*
- *Smooth plastic teething rails protect the crib and are easy to sanitize.*
- *Exclusive SafeSupport™ solid steel box frame (patent pending) is included on all cribs to provide unprecedented strength.*
- *Foundations® cribs meet the new 2011 Federal mandatory crib safety standard and are JPMA certified.*
- *All mattresses are phthalate and formaldehyde free and conform to 16 CFR 1633 and 16 CFR 1632.*

Serenity™ Changing Tables

NEW!

Give your nursery a coordinated look with Foundations® furniture.

Contoured ends of Serenity™ changing tables are designed to match Serenity cribs while natural and white finishes complement the entire Foundations crib line. High quality construction is made of Baltic birch and features 7" deep changing area with safety strap. Includes 1" thick Professional Series™ ultradurable, antimicrobial mattress pad. Doors have magnetic lock that require adult strength to open eliminating the need for a key. Twelve cubbies (14"W x 7"H) provide ample space for storage. Storage tubs sold separately. Made in the U.S.A. Arrives fully assembled. Measures 45"L x 21.5"W x 42"H. Lifetime warranty.

Matching wall unit features 3 large (14"W x 9.75"H) and eight small (5.25"W x 9.75"H) storage compartments perfect for additional baby supplies. Made in the U.S.A.. Arrives fully assembled. Measures 44.5"L x 12.5"W x 25"H. Lifetime warranty.

SafeReach infant access system

patent pending

The safe and convenient alternative to a drop-side crib™

Side-gate requires adult arm span to activate and provides caregiver easy access to baby while reducing risk of back strain. Special no pinch hinge and bevel eliminates pinch points. Side-gate locks closed in upper position with a quiet operation that will not disturb child.

Foundations®

Professional Quality. Legendary Safety.™

Meets NEW 2011 Federal Crib Standards

First Responder™ Evacuation System

The complete solution to infant evacuation.

The First Responder™ evacuation system is the only comprehensive solution available to child care centers for infant evacuation. Steel gussets bridge directly to the solid steel SafeSupport™ frame to provide the ultimate in strength and durability. Features international "evacuation crib" icons printed in English, Spanish, and French that are visible from all four sides for rapid identification. Premium 4" non-marking casters (two locking) will not damage floors. Includes Professional Series™ 3" ultradurable antimicrobial mattress. Evacuation protocol sign to train caregivers is provided. Crib has limited 5 year warranty with lifetime warranty on steel frame, casters, and hardware.

First Responder™ evacuation hardware also sold separately to enable SafetyCraft®, Serenity™ and Biltmore™ compact cribs to be converted to evacuation cribs. Includes evacuation protocol sign and evacuation icon that adheres to crib for rapid identification. Evacuation hardware has lifetime warranty.

1932047 First Responder™ Evacuation Crib Fixed-Side in Natural, Clearview headboards, Safe Support™ solid steel box frame (patent pending), and 3" Professional Series mattress
1961077 First Responder Evacuation Hardware with Chrome Casters (fits the SafetyCraft™, Serenity™ and Biltmore™ cribs)
1962077 First Responder Evacuation Hardware with Antique Brass Casters (fits the SafetyCraft™, Serenity™ and Biltmore™ cribs)

EXCLUSIVE Foundations® First Responder Accessories:
FR-EP-SI First Responder™ Evacuation Protocol Sign trains caregivers in safe evacuation
1963006 First Responder™ Sign Kit Includes 3 Evacuation Route Signs and an Evacuation Protocol sign

Crib Saver™ Crib Bumpers

are made of durable rubber to prevent gouging and marring from cribs coming in contact with walls, doors, and other furniture. Sold in sets of four cribs can accommodate up to eight bumpers (2 sets). All hardware provided for easy assembly.

Prevent damage and extend the beauty of your crib.

4061172 Crib Saver™ Crib Bumpers for Serenity and First Responder White Crib
