

*(00GW025™) - ENVIRONMENTAL GRAFFITI REMOVAL WIPES*

## Product Description

*GEO Graffiti Removal Wipes™ is a re-sealable container containing environmentally friendly graffiti wipes that may be used to remove paint, graffiti and overspray from a variety of substrates. It is ideal for general purpose maintenance of various surfaces. It provides a simple and effective method of removing unwanted graffiti, paint or overspray.*

*Geo Graffiti Wipes are suitable for cleaning signs, postal boxes, desks, bathroom partitions, transit vehicles, light standards, traffic control boxes etc.*

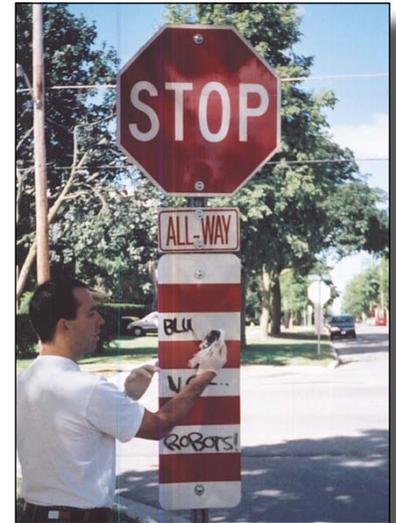

## CHARACTERISTICS

GEO Graffiti Removal Wipes™ is a cloth wetted with a clear liquid that is neutralized with water and 100% biodegradable. It has a very mild citrus smell although it is not citrus based. It will dissolve PVC so any application equipment used should not be made of PVC based plastics.

***GEO Graffiti Removal Wipes™ breaks down spray paint, overspray and graffiti allowing ease of removal without impacting the environment in a negative manner.***

- Excellent to remove overspray in automotive applications
- Suitable for the removal of graffiti and marker
- Safe to use, 100% biodegradable

## APPLICATION

Simply use GEO Graffiti Removal Wipes™ by wiping the surface affected by overspray, paint or graffiti. Neutralize surface with water after using GEO Graffiti Removal Wipes™

GEO Graffiti Removal Wipes™ may also be used to remove tape adhesive residue from hard surfaces such as light standards where posters or other advertising materials have been taped to the surface.
