**You are responsible for the safe operation and use of this unit.
Not intended to hold more than 50lbs.**

Inspection Criteria:

A properly maintained unit:

- Is free of any cracks or damage that can cause injury.
- Has both ends of a functioning, non-frayed strap: buckle clicks when closed and strap is attached at both ends of the unit.
- Provides a clean, convenient place for customers to attend to their children.
- Has a liner dispenser located along the front edge of unit.

**To order replacement parts call
888.733.3456, +1.303.539.8300,
or visit www.koalabear.com.**

- Replacement strap
- Warning label
- Koala door label
- Mounting hardware
- Sanitary Bed Liners

Countertop Baby Changing Stations are intended for use on an existing countertop surface that is capable of holding significant weight. Unit should be permanently mounted to the countertop surface per the installation instructions. When an infant is placed onto changing surface, use strap and buckle to secure infant to changing surface. Never leave Child Unattended.
