PARENTS AGREE, KOALA IS THE NUMBER ONE BABY CHANGING STATION BRAND.

EXCLUSIVELY WITH MICROBAN®
ANTIMICROBIAL PRODUCT PROTECTION.

We Care For Kids.

BABY CHANGING STATIONS

Koala ... It's how public establishments say "welcome" to children and their parents.

Koala is the recognized worldwide child care expert at the forefront of the family friendly culture for public establishments, helping architects, interior designers and operators put out the welcome mat to children and their parents for two decades. As the family friendly concept has evolved, Koala Baby Changing Stations, always a staple in women's and men's restrooms, are now equally appropriate in common areas and family restrooms.

Selection and Specification

- Equipped with full-length steel-on-steel hinges with 11-gauge steel mounting supports.
- Complies with consumer safety performance specifications in ASTM F 2285-04 with third-party confirmation of testing.
- Provides smooth, concave changing surface resulting in comfort for the baby as well as maintenance cost containment with the absence of pinch points, crevices and other dust and dirt collection areas.
- Constructed of high-density polyethylene with stable embedded antimicrobial technology which inhibits the growth of bacteria that can cause stains, odors, and product degradation.
- Includes replaceable nylon safety straps, hooks for bags and purses, instructional graphics and Braille.
- Built-in Sanitary Bed Liner Dispensers included with each model.

Microban® protection: a Koala Baby Changing Station exclusive.

Microban® technology is built into Koala Baby Changing Stations and becomes an intrinsic part of the Station. When microbes, such as bacteria, mold and mildew which can cause stains, odors and product deterioration come into contact with the station surface, Microban® protection penetrates the cell wall of the microbe and disrupts key cell functions so that the microbe cannot function, grow or reproduce. Microban® ensures Koala Baby Changing Stations retain their sanitary condition between cleanings. Please see Microban® Technical Bulletin, TB-12.

Stainless Steel Cabinet and Polyethylene Bed

KB110-SSRE HORIZONTAL, RECESSED-MOUNTED

- Dimensions: 37" W x 23" H (940 x 584mm) • Depth (closed): ¾" (20mm) • Extension (open): 15¼" (387mm) • Rough Wall Opening: 35½" W x 20½" H (900 x 529mm) • Depth: 4" min. (102mm)

KB110-SSWM HORIZONTAL, WALL-MOUNTED

- Dimensions: 35¼" W x 20" H (892 x 508mm) • Depth (closed): 4" (102mm) • Extension (open): 15¾" (386mm)

KB111-SSRE VERTICAL, SEMI-RECESSED MOUNTED

- Dimensions: 24¼" W x 39½" H (616 x 1003mm) • Depth (closed): 1½" (38mm) • Extension (open): 29¾" (756mm) • Rough Wall Opening: 22½" W x 36" H (572 x 914mm) • Depth: 4" min. (102mm)

KB111-SSWM VERTICAL, WALL-MOUNTED

- Dimensions: 22" W x 35½" H (565 x 902mm) • Depth (closed): 5¼" (133mm) • Extension (open): 35" (889mm)
