

**AIR CARE**

**VECTAIR**  
**AIROMA™**  
**Zero**

*Air purifier and Odor eliminator*

*Freshness -  
through fragrance  
and technology*

While most air fresheners mask unpleasant odors, they don't get to the root cause. Airoma™ Zero purifies and freshens the air, leaving behind the signature lemongrass fragrance that tells you it's clean, the most advanced aerosol air purification system you can buy. Airoma™ Zero contains a proprietary ingredient "CKC" commonly found in health and personal care products to eliminate sources of bacteria, fungi, algae and air-borne contamination, helping remove sources of odor and providing a healthier environment.

*"Ideal for areas such as nursing homes, medical clinics, day cares, school classrooms, office spaces, reception areas, theaters.....anywhere a sanitary environment is needed".*
