

## MEDICINE CABINET

- Surface Mounted
- Two Removable Shelves
- Reversible

**Bradex™**

### CONSTRUCTION:

- **CABINET** is fabricated of heavy gauge steel construction, finished with rust-resistant, baked-on enamel after welding. Fixed shelf brackets.
- **DOOR** is fabricated of heavy gauge steel and finished with rust-resistant, baked-on enamel to match cabinet, equipped with full length piano hinge with built-in door stop, protective door bumpers, and a magnetic catch.
- **MIRROR** is float glass, electrolytically copper-backed, with full surround stainless steel frame with positive screw closure.
- **SHELVES (2)** are metal.

### OPERATION:

Cabinet is reversible for left or right hand door swing. Shelves are removable.

### INSTALLATION:

Cabinet to be surface mounted with top of door 6'-2-1/4" from finished floor. Secured to wall with mounting screws through holes provided.

### GUIDE SPECIFICATION:
