INTRODUCING THE ASI MATTE BLACK COLLECTION

ASI's Matte Black Collection provides a chic alternative for modern washrooms. Carefully curated to be versatile and powder coated for added durability, these accessories are ready to make a statement in any setting. The boldness of black creates an air of sophistication, while the subtlety of the matte finish exudes warmth.

Born out of the desire for something new and contemporary without sacrificing reliability that comes from the proven, this collection is easily paired with a wide variety of washroom accessories and toilet partitions, ranging from phenolic and plastic laminate to powder coated or stainless steel.

COMPLEMENTARY DESIGN

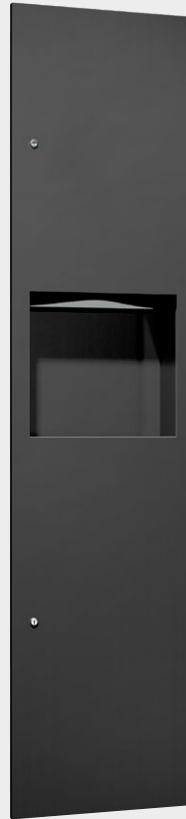

ASI Group's diverse product categories and collections integrate seamlessly to allow for creating washrooms with a cohesive look. Whether paired with the Piatto™ Collection featuring black or white phenolic doors and the high-end Velare™ Mirror cabinet, or with Alpaco™ our European style privacy partitions, and even phenolic Z-style lockers, the Matte Black Collection will effortlessly accentuate any washroom.
