

FIRE EXTINGUISHERS - HIGH PERFORMING HT SERIES - Portable Handheld

The high-performance HT-series for commercial settings, once exclusive to the aerospace industry, can safely put out fires without damaging electronic equipment, specialized machinery, or other delicate materials.

CLASS A FIRES
Common
Combustibles

CLASS B FIRES
Flammable
Liquids
and Gases

CLASS C FIRES
Energized
Electrical
Equipment

SPECIFICATIONS:

These extinguishers are sensitive to the environment, meeting strict environmental regulations for Global Warming Potential and Ozone Depletion Potential. With knock down power and firefighting efficiency, the HT-Series uses Halotron BrX agent. There is no clean-up or down time for your operations.

Construction: Durable, high-gloss polyester powder-coat finish

Valve Material: Anodized aluminum

Conforms to Test Standards: CAN/ULC-S508 - UL 2129 & CAN/ULC-S566 - UL 711

Operating Temperature Range: -40° to 120°F

ALL UNITS MEET THE CURRENT REQUIREMENTS ESTABLISHED BY THE NATIONAL FIRE PROTECTION ASSOCIATION (NFPA) FOR NFPA10 "STANDARD FOR PORTABLE FIRE EXTINGUISHERS", AND ANY OTHER APPLICABLE NFPA STANDARDS. TESTED AND LISTED BY UL TO MEET CONSTRUCTION AND PERFORMANCE STANDARDS FOR THIS TYPE OF EXTINGUISHER, AND CAN BY USED WHERE REQUIRED BY LOCAL CODES SUCH AS OSHA.

Note: NFPA regulations also require extinguishers to be inspected when initially placed in service and all local fire code and tagging requirements must be adhered to. All fire extinguisher sizes are nominal. Contact Customer Service for more information about ordering tagged extinguishers in your area.

It is the responsibility of the customer to communicate specifications and product performance requirements that are needed for their application. This document is intended to convey potential product configurations and offerings. It is not to be used to imply or represent a specification or rating, of finished products shipped. Detailed, specific submittals can be created upon request. It is the responsibility of the customer to specify product accordingly to comply with local laws, codes, and ordinances.
