

## OPTIONAL PAINT COLORS FOR CABINETS

Most of our cabinets can be painted with these optional colors at additional cost.

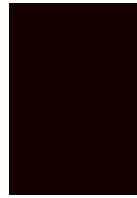

Our cabinets are painted using a VOC-free electrostatic painting process that causes the paint to be attracted to all exposed surface areas of the metal. This method yields a continuous coat of paint both inside and outside of the part providing excellent protection against moisture and dust, giving your product the longest lifespan possible.

\*Bronze (BR)

\*Gray Prime Coat (G)
