ECO Chairs are stackable for easy storage and space savings.

ECO KB833

In 2019, the Consumer Product Safety Commission (CPSC) enacted a federal standard (ASTM F404-18) to improve the safety of all high chairs. The points below outline the new safety requirements.

Warning labels about tipping hazards

Passive crotch restraint system

Active three-point restraint system

Rearward stability to prevent chairs from tipping backward

Product registration to be alerted to possible recalls.

Warranty Info

The ECO Chair will be free from defects in material and workmanship under normal use and service, with proper maintenance, for a period of five (5) years.
