

Restaurant Booster KB854-S/KB855-S

We Care For Kids.

The Restaurant Booster features two different height options to accommodate children of various ages and sizes. This seat stacks easily for convenient storage and space savings when not in use. Its smooth, polyethylene construction is durable and easy to clean, making it a great choice for high-traffic establishments.

Product Details:

- Save time cleaning as there are no crevices or cracks to collect food or dirt
- Strap fastens booster securely to an adult chair
- Available as a 1-pack (KB854-S) or 4-pack (KB855-S)
- ASTM Compliant

Restaurant Booster KB854-S/KB855-S

A new federal standard (ASTM F2640-18) to improve the safety of all booster seats was approved by the Consumer Product Safety Commission (CPSC) and will take effect January 2, 2020. The points below outline the new safety requirements.

A visible safety warning label

Product registration to be alerted to possible recalls

Labeling requirements about the adult chair dimensions are required on the product packaging and warning label

Koala's booster seats are age graded for 36 months up to 5 years of age

Ability to be attached to an adult chair

Boosters are required to be at least 0.8" in width and 0.4" in depth LESS than the adult chair seating surface. The height of the strap attachment needs to be at least 3.9" less than the height of the adult chair's backrest.

Warranty Info

The Restaurant Booster will be free from defects in material and workmanship under normal use and service, with proper maintenance, for a period of five (5) years.
