

Mini Multifold Towel Dispenser

Product Overview

The TD0171 Plastic Mini Multi-Fold Towel Dispenser is hygienic, in that the user touches nothing but the paper they need. Easy dispensing when full, and single sheet dispensing until the very last sheet. A translucent cover provides easy view of paper supply. Universal for any multifold towel.

Product Features:

- Compact size to fit in more spaces
- User touches only the paper they need
- Impact resistant plastic construction
- Single towel delivery, down to the last one
- Easy to load
- ADA Compliant
