Vectair Systems Inc.

URINALS PRESENT A BREEDING GROUND...

...for bad odors through the build up of uric salt.

Our Vectair V-Screen® urinal screen offers an effective means of keeping drains and urinals free flowing. It also combats odor control between restroom cleaning visits.

Our Vectair V-Screen® fits over the drain or urinal and acts as a net to catch debris such as chewing gum, cigarettes, paper and other refuse.

Incorporated within the Vectair V-Screen® is a mal-odor eliminating substance which has the ability to deodorize smells that may exist within the urinal.

A pleasant fragrance is provided by an additional scent additive keeping the urinal smelling fresh for up to 30 days.
